12 July

Re: Chan.

1. He was to be arrested after brother incriminated him at trial. (1 July)
2. I picked him up in Saigon, brought him to Lantto. (6 July)
3. Went to Saigon - saw Gen Kham - explained the potential adverse reaction in US if Chan arrested - pointed out that neither Nixon or Thieu needed that kind of an attack now. Kham agreed to go to Thieu, told me to bring Chan back. (7 July)
4. Took Chan to Saigon (8 July)
5. Chan invited to dinner with Thieu on 11 July. Chan refused to go.
6. Chan called me tonight. Said boat was off. His visa is being approved by GVO. Lantto desperately to go to US for visit.
7. I am advancing him the money to go - to buy a round trip ticket to Los Angeles. Hope Rand can put him on current day

Did reimburse me for Chan's
trip — I am over \$3000
involved in financing him
now. (Chan will not go till end of month —
after he has paid me — after I
tells to you)

8. I leave for Paris on
14th. Spend four days
there. Into D.C. on
19th. Will call you from
there. Leave D.C. about
24th or 25th. Leave Denver
about 9 days for L.A. See
you then.

Best regards —
